### Before we continue

I agree to the terms of use and have read and understood the privacy policy.

1

Accept

### Gas stations near you

To show you the closest gas station, we need access to your precise location.

2

Allow location access

1

Press “Accept”

after reading the “Terms of Use” and “Privacy Policy” to continue the registration process in the OMV B2PAY app.

2

Press “Allow location access”

for the accuracy of listing OMV and Petrom filling stations available near you.

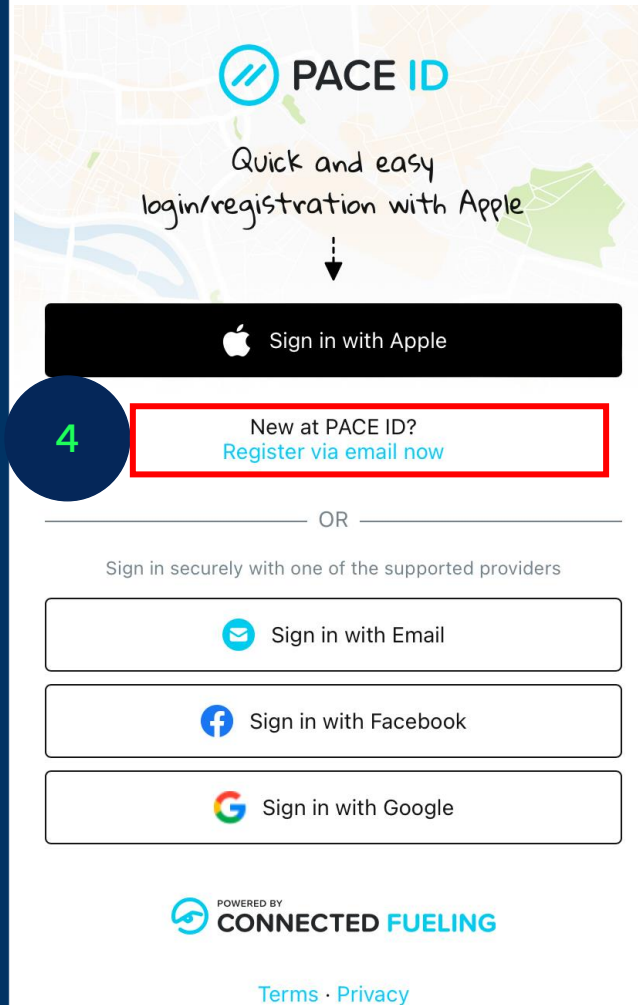

### Add profile

For easy payment with the app you have to register or login with your existing PACE-ID.

3

Press “Log in or register”.

4

Press “Register via email now”.

**NOTE:** *PACE ID must be created with the same email address used to create the OMV digital card.*

Welcome to OMV B2Pay App - Register for PACE ID

PI PACE ID  
To You

Register for PACE ID  
needed for OMV  
B2Pay App

Dear OMV customer,

OMV aims to offer you enhanced security and ensure a seamless experience to OMV Card users. As part of this process OMV is using PACE ID as an authentication tool for the OMV B2Pay App.

To enjoy the benefits of the OMV fueling services, we kindly ask you to register for the authentication tool PACE ID by following the steps below:

Click on the following link to access the registration page:

2

Register now

Follow the on-screen instructions to create your account and set up your authentication preferences. Once registered, you will be able to securely login and use the OMV B2Pay App as a payment method for your fuelings.

If you encounter any issues during the registration process or have any questions, feel free to reach out to the PACE support team at [support@pace.car](mailto:support@pace.car)

Thank you for your cooperation in ensuring the security of your account.

Best regards,  
PACE Telematics GmbH

Continue

4

Once the fueling process has ended, choose the fuel card you want to use for your transaction.

5

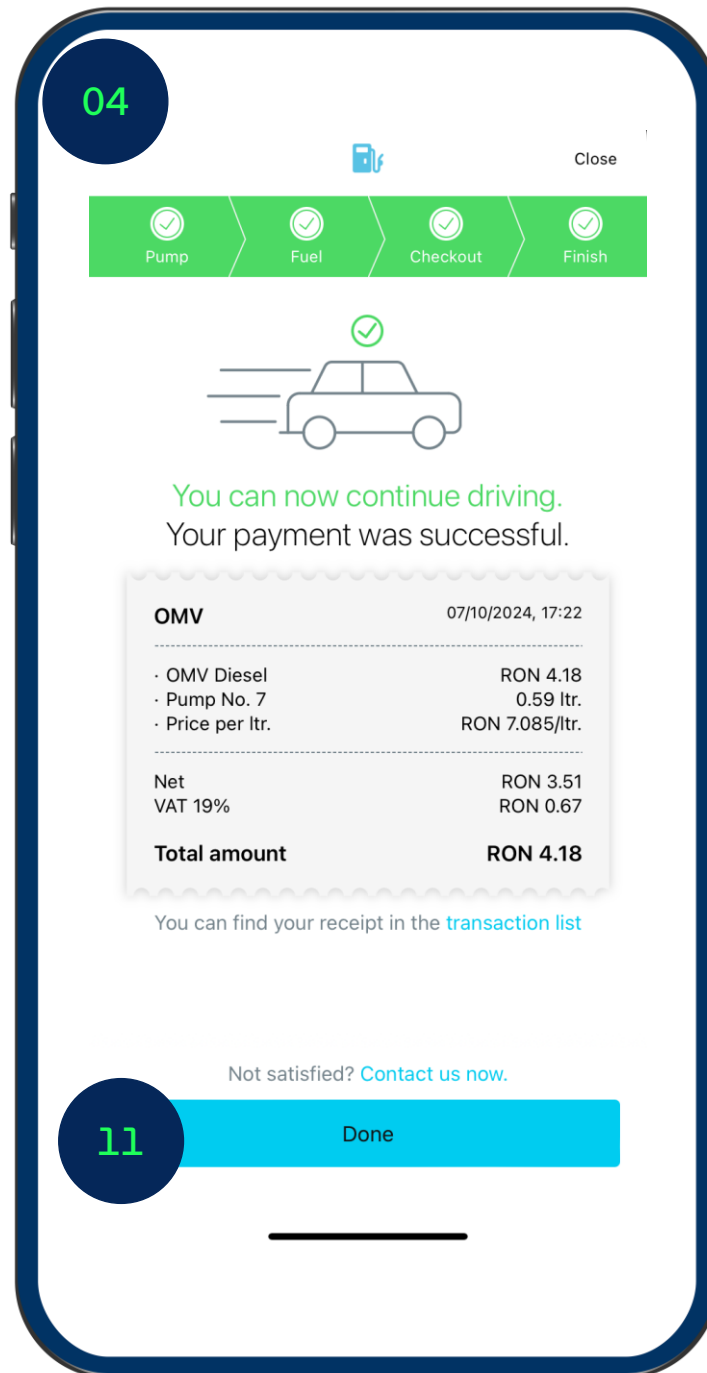

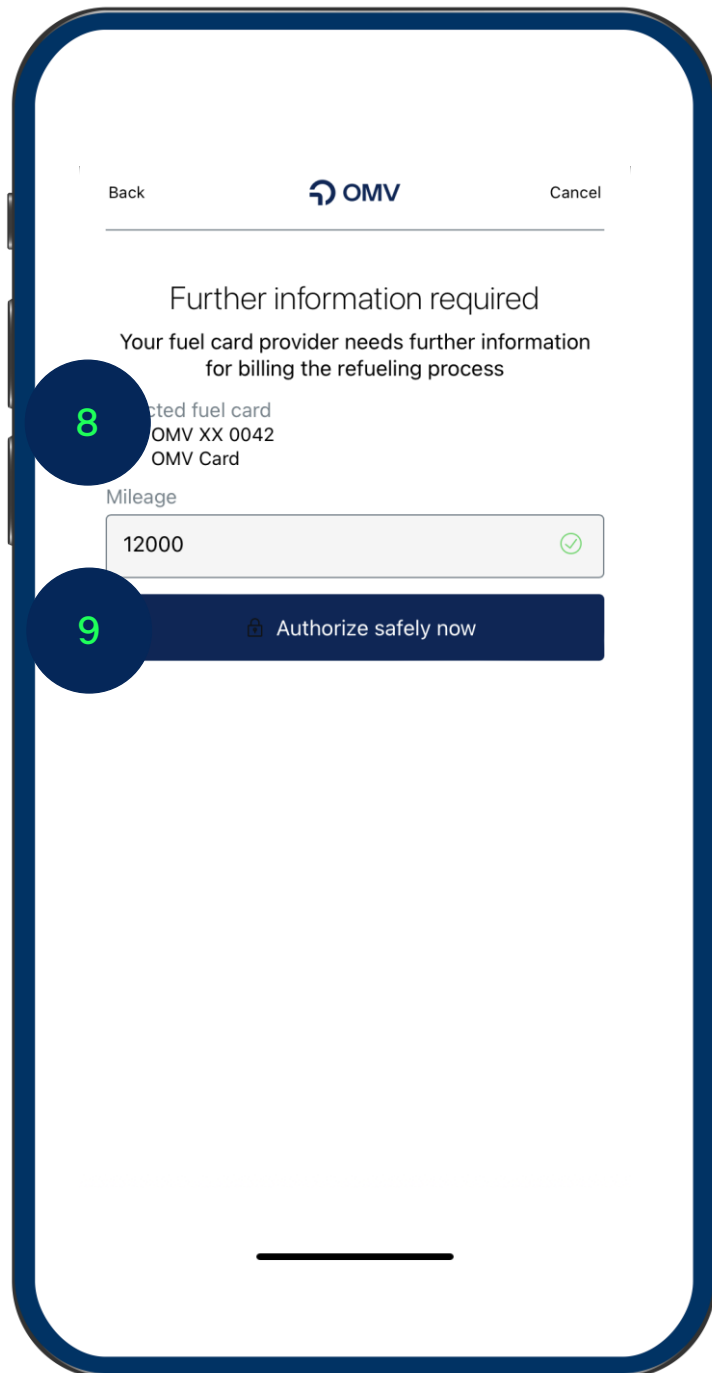

Press "Continue".

6

Your fueling details will be available for review before proceeding to finalize your transaction.

7

Press "Continue".

8

If the information is requested, enter the mileage of the vehicle in the field available on this screen of the app.

9

Press “Authorize safely now”.

10

The app will use FACE ID to authorize the transaction, if you have activated this option (it can be activated at any time from the “Wallet” section).

11

Press “Done” -> the transaction notification will be automatically sent to your email along with the receipt.
